# Participants' Voices

***"Truly grateful to have participated in such an enriching program"***

The experiences I had during the month-long Summer Session were truly enriching and I could not think of a better way I could have spent my summer. I am truly grateful to have been able to participate in the program and would like to thank all the staff members of the Waseda community for all the help provided to us students, as well as the new friends I made for making my summer an unforgettable one.

***"Wonderful professors with deep knowledge of Japan studies"***

All in all, my four weeks in Japan were nothing short of amazing. The Waseda Summer Programme offered me the opportunity to study under wonderful professors who were all extremely knowledgeable in their respective fields and to be able to interact with students from a host of different nations, cultures and walks of life.

Koh Liang Wei

***"Nikko Field Trip was a great experience"***

The course also included a trip to Nikko which was a great experience, staying in a Japanese style Ryokan and eating a Japanese style dinner. The trip was a great opportunity to meet and socialize with different people whilst immersing in the Japanese culture. The trip included visiting the Toshogu shrine as well as Edo wonderland.
